

PUBLIC

LEDGER

WEEKLY REPUBLICAN—1867.
DAILY PUBLIC LEDGER—1868.

MAYSVILLE, KY., FRIDAY, NOVEMBER 17, 1905.

ONE COPY—ONE CENT.

SIR HENRY IRVING.

"Now trumpet made for Shakespeare's lips to blow."

No more for thee the music and the lights.
The magic may no more win smile nor frown;

For thee, O dear interpreter of dreams,

The curtain hath rung down.

No more the sea of faces, turned to thine,

Swayed by impassioned word and breathless pause;

No more the triumph of thine art—no more

The thunder of applause.

No more for thee the maddening, mystic bells,

The haunted horror—and the falling snow;

No more of Shylock's fury, and no more

The Prince of Denmark's woe.

No more again the fret of heart and soul,

The loneliness and passion of King Lear;

No more bewilderment and broken words

Of wild despair and fear.

And never will thou conjure from the past

The dread and bitter field of Waterloo;

They trembling hands will never pluck again

Its roses or its rue.

Thou art no longer player to the Court;

No longer red-robbed Cardinal or King;

To-day thou art thyself—the Well-Beloved—

Burst of crown and ring.

They feet have found the path that Shakespeare found,

Life's lonely exit of such far renown;

For thee, O dear interpreter of dreams,

The curtain hath rung down.

—Virna Sheard.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 33, and let me have it.

Pure Crab Cider at W. A. Schatzmann's.

The Keystone State passed up this morning.

Mr. W. N. Hoeffich of Ocean View, Va., arrived last night to attend the funeral of his uncle, R. G. Lynn.

Mr. and Mrs. Earnest March of Lexington came down yesterday to attend the funeral of the late Robert G. Lynn, which takes place this afternoon at 2 o'clock.

William Hickle, pegleg, and Harvey Elite, charged with petit larceny—stealing coal from the C. and O.—had an examining trial before Judge Whitaker yesterday and were held to the Circuit Court in the sum of \$100 each. They were committed to jail.

Some time ago THE LEDGER mentioned the fact that Aunt Eliza Johnson was cultivating lemon trees at her home in Lee street. Yesterday the good lady presented The Ledger representative with a specimen of the first season's growth. The fruit was large, juicy and delicious.

Miss Bertha M. Williams, who has been engaged the past season as trimmer at Mrs. O. B. Stilt's millinery store, left for New York City Thursday morning, where she will meet and wed Mr. James Smith Saturday. Miss Williams' Mayaville friends hope her matrimonial venture may be a happy one.

Yesterday morning early Spence Kimbrough, an eighteen-year-old colored boy, whose home is at the corner of Union street and Morrison alley, raised high jinks. He terrorized his home folks and intimidated the neighborhood. He is a bad citizen, considering his age. He needs Paddy Ryan to trown his breeches.

The efforts of the Vla Stock Company in the sensational drama, "Beware of Men," at the Opera-house last night seemed to please the big audience present. The company handled their several parts in a good manner. The specialties were all first class, especially the moving pictures and illustrated songs. Tonight "A Gambler's Daughter." Price 10, 20 and 30 cents. Seats selling at rays.

Our stock of mounted diamonds is the largest in the city, comprising the very latest mountings. See our new Cluster Rings; nothing ever seen here like them; have the effect of a large solitaire. Our combination rings are new and beautiful—diamonds with ruby, emerald, sapphire, pearl and opals, all the latest combinations. We are leaders in diamond goods.

P. J. MURPHY, the Jeweler.

Personally the Democrats of Mayaville have a kindly feeling for Judge W. T. Cole, being an ex-citizen and neighbor, but politically they will not give much over his defeat in the recent Greenup election. The Judge is a stanch and ardent supporter of Judge Paynter, while eight out of every ten Mason county Democrats are equally as loyal to Joe Blackburn. It seems where the Blackburn forces were in a minority they threw their strength to the Rep. publican candidates—notably in Fleming and Greenup counties.

THE NEW CROP MOLASSES...

We never buy until we can get the right kind—the kind that has made this store known all over the county for its fine Molasses.

We have some Curly Lettuce, White Cauliflower, Celery, Cranberries, Salsify and Bell Peppers, and will be pleased to have your orders.

PHONE No. 43. G. W. GEISEL, OPPOSITE OPERA-HOUSE

See Hainline's Wallpaper.

All the readers of THE LEDGER are cordially invited to both the meetings at the Baptist Church today.

The first drove of turkeys, numbering several hundred, passed down Third yesterday to the slaughtering pens of the Keystone Commercial Company.

The Woman's Christian Temperance Union Settlement College at Hindman, Knott county, which burned down last Friday, entailing a loss of \$12,000, will be immediately rebuilt. Liberal donations have been made by W. C. T. U. organizations of this and other states.

Miss Myra Duke of East Third street will have a linen shower Monday evening in honor of Miss Imogene Ficklin's approaching nuptials.

Tomorrow Today Will Be Yesterday

Before today becomes yesterday, you'd best arrange with THE LEDGER for your Holiday Advertising, and with the Ledger Printery for your Job Printing.

DIED AT FLEMINGSBURG

A Traveling Man's Sudden Demise Yesterday Morning

Yesterday's LEDGER mentioned the serious illness of Mr. J. C. Lafels, a traveling man, who was suddenly stricken while stopping at a hotel in Flemingsburg.

He died yesterday morning. His ailment was acute indigestion.

Mrs. Lafels was an orphan from her Tennessee home and she started immediately to be at the bedside of her ailing husband.

Death has relieved her of administering wifely devotion, and her coming will be a sorrowful one.

WALTHER WON

Was Given Certificate as Councilman From Sixth Ward

In the recent election there was a tie vote in the Sixth Ward for Councilman, Charles A. Walther and M. C. Hutchison each having received 89 votes.

Yesterday the County Election Commissioners untied the Gordian knot.

A number of blank ballots, together with slips containing the names of the contestants, were placed in a hat and the first name drawn was to receive the certificate of election.

Mayor Stalcup was selected, and after drawing lots or twelve blanks he drew a slip containing the name of Mr. Walther.

In order to show that everything was on the square the drawing was continued and the very next slip taken from the hat contained the name of Mr. Hutchison.

Mr. Walther was given the certificate.

He has served the Sixth Ward as Councilman before and made a live and wide-awake member and it goes without saying that he will do it again.

Personally the Democrats of Mayaville have a kindly feeling for Judge W. T. Cole, being an ex-citizen and neighbor, but politically they will not give much over his defeat in the recent Greenup election. The Judge is a stanch and ardent supporter of Judge Paynter, while eight out of every ten Mason county Democrats are equally as loyal to Joe Blackburn. It seems where the Blackburn forces were in a minority they threw their strength to the Rep. publican candidates—notably in Fleming and Greenup counties.

W. W. Mischor, a former Ripley boy, accompanied Secretary Taft on his Panama trip. Mr. Mischor is Private Secretary to the Secretary of War.

Mr. and Mrs. J. W. Christerson, the latter nee Miss Ruth Waldron of Aberdeen, the marriage taking place in Covington Tuesday, will make their future home at Jacksonville, Fla.

The Ohio and Kentucky Burley Tobacco Growers' Company, which is fighting the Trust for the control of the white burley crop, has issued from its main office in Cincinnati and branch office in Lexington a final appeal to the growers, in which it is stated that if enough contracts are not signed up by November 25th to guarantee the control of the crop the fight will be given up and the growers who have tobacco stock in the enterprise will be released from further obligations.

Not a cent wanted unless you are cured. If you are sick and ailing, take Hollister's Rocky Mountain Tea. A great blessing to the human family. Makes you well; keeps you well. 35 cents. Tea or Tablets. J. J. Wood & Son.

Evangelist Jardon W. Carter will begin a series of meetings at the Methodist Church at Dover November 24th.

MORRISSEY'S IRELAND.

Morrissey's Ireland will be the attraction at the Opera-house Monday, November 20th. It is a performance filled with reasonableness and real life, while the many scenes of old Ireland are not only presented in a strikingly original manner but are exact reproductions of all they attempt to portray. All the songs sung, although typical of Ireland are exceptional in quality, both in the matter of melody and verse. Morrissey's Ireland is one of the most original entertainments given in Mayaville for a long time.

SIMON WOLFE appeals to the President to do something for the protection of Jews of Russia; and The Louisville Post pertinently suggests that it might be well to appeal to the President to do something for the protection of the oppressed Americans of that city.

A CITIZEN who unfortunately had gotten in on the wrong side of the Police Court lodged complaint with me against the Local Editor, who had "written him up." The best way to avoid a recurrence is to be good and keep out of the Police Court, for the Local Editor has to earn his salary—and he was never known to run away from a shindy.

THE Supreme Court of the United States has just given the tax-grabbers of Kentucky another healthy jolt. Kentucky undertook to tax the ears of a Refrigerator Transit Company, a Kentucky corporation with its office in Louisville, but whose cars were operated in other states. The Court of Appeals said it could be done, but the Supreme Court says it can't.

It is expected that the Postoffice will be moved about the latter part of this month to the new Government Building near the county line. Then it will be fun alive to see the people of the "business destrick" shinning it out to the woods for their mail; and how they'll kick themselves for not taking THE LEDGER's advice while it was possible to prevent the location of the Building in such an out-of-the-way place.

BUSINESS men en route to the new Government Building for their mail are cordially invited to stop at The Ledger Office for rest and refreshment—and incidentally to file orders for advertising or printing.

SECRETARY TAFT, just returned from Panama, must have been benefited by his trip. Soon after reaching home he gave out the following motto for Cincinnati—

"Open Conventions and Freedom to the People in the Selection of Proper Candidates for the Municipal and County Offices."

That's almost good enough for adoption in Mason county.

REFERRING to the recent pretended election in Louisville, The Evening Post says the returns are missing from 25 Precincts. Half are, by every evidence obtainable, Republican Precincts, but, throwing them out, the majority for BARTH is, according to the returns, 2,074.

In these 25 missing Precincts the registered Democratic vote is 2,896. In the doctored returns the BARTH vote is 3,390.

In these 25 missing Precincts the registered Fusion vote was 2,491; in the doctored returns the O'NEAL vote is only 1,142.

In view of these flagrant frauds, it's little wonder that the honor-loving people of Louisville have already subscribed \$17,000 to contest the so-called election of the Democratic candidates.

EVIDENTLY AN EDITOR.

Jorkins—I do not suppose that there is a man living that could successfully forge my name to a cheque and get it cashed.

Morkins—Is your signature such a peculiar one?

Jorkins—No; but I haven't any money in Bank.

Real Estate

TRANSFERS!

The prosperity of a city is usually determined by an investigation of its commercial transactions, its manufactured product and the real estate transfers. The merchants of Maysville are rejoicing on account of increased trade and the manufacturers have been running their full capacity in order to meet the demands for the articles which they produce. The records at the Clerk's office will show that the past year has been one of great activity in the number of sales recorded and the money changing hands by reason of these sales. Also a great number of farms have changed hands at good prices. Maysville and Mason county are certainly to be congratulated upon this evidence of renewed prosperity. These sales and transfers are largely brought about by reason of active agitation of the Real Estate business through newspapers and other agencies employed for the purpose of awakening an interest in such transactions. From these facts you will see that a live Real Estate Agency is an important factor in the development of any community. Assuming that you will admit the facts stated above, I do not feel that I am asking too much when I request the people of Maysville and Mason county to assist me in every possible way in the listing of property and finding purchasers for same. My office is now, and shall continue to be, a Real Estate Exchange, where information can be obtained with reference to any piece of property for sale in Maysville, Mason county, or in fact any of the adjacent counties. You will therefore confer a favor by giving me such information as will lead to the listing of properties which are for sale and the selling of those which are so listed. While you are helping me you will be helping the entire community in which you live.

Trusting that a large increase in the real estate transfers may be the result of our united efforts, I remain yours very truly,

JOHN DULEY,

Real Estate Dealer, MAYSVILLE, KY.

Many More Like It in Maysville.

The following case is but one of many similar occurring daily in Maysville. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such a conclusive evidence.

C. L. Hubbard, employed in Cabilio's grocery, Cox Building, and living at 325 West Third street, Maysville, Ky., says:

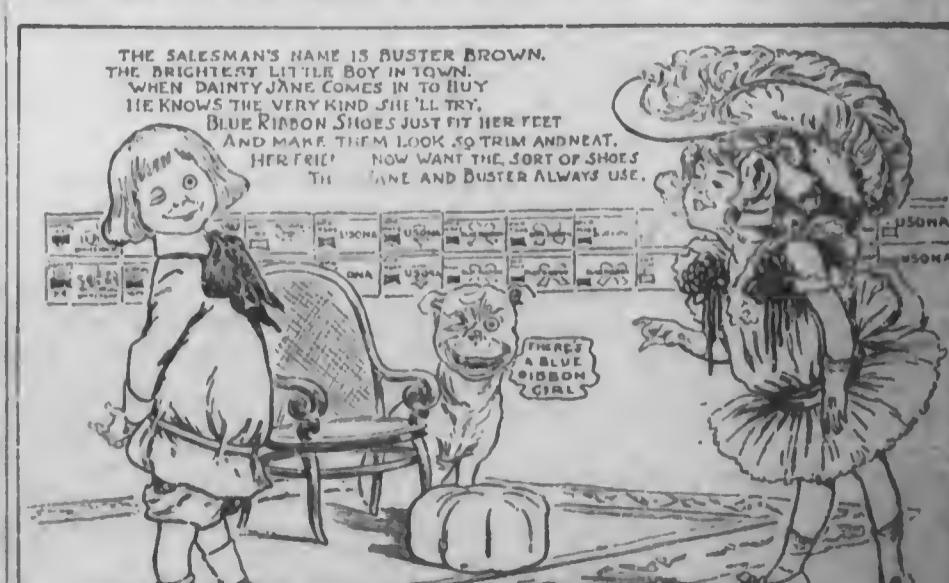

"As I stated in a testimonial given in 1900, Foster-Milburn Pills brought me positive relief from inflammation of the bladder and a disturbed action of the kidneys. After some time I felt a slight return of the trouble but again found relief. Now, after nearly five years I feel able to recommend Doan's Kidney Pills with even greater confidence than before. The results of use in my case have been very satisfactory. I got the remedy at J. J. Wood & Son's Drugstore.

TRAIL OF GOEBEL

Damage Suits Hurtful to Covington's Manufacturing Interests

The late Goebel was a master hand in the damage suit industry, and his methods do follow him.

It was he who had a law passed that permitted any worthless case to bring a "damage suit" without giving security for Court costs, while responsible persons had to "whack up" before suit was filed.

And now Covington manufacturers have started a campaign to stop the filing of suit for damages on small pretexts.

Wednesday representatives from the Covington Manufacturers Association met agents for indemnity insurance companies at the Business Men's Club in Cincinnati for the purpose of talking over the situation.

It was shown that the cost of indemnity insurance in Kenton county was 60% higher than elsewhere, owing to the damage suit habit.

The legislature will be appealed to for aid.

Mrs. Hattie Tally was over from Manchester the first of the week.

Preaching at Ebenezer Church the fourth Sunday by Rev. Dr. Waller.

John Gaunt and Son were here Wednesday, swooping up the turkey crop at 12½ cents per pound.

J. W. Graham of Council Grove, Kansas, arrived here Wednesday for a protracted visit. Mr. Graham was here last year and thought so much of Kentucky and its people that he could not stay away.

Lewis county, like Louisville, was unable to break the iron grasp of boss rule; but in Lewis

the cause was ignorance instead of force and intimidation. We frequently hear it said, "If they don't want me to vote for a bad man they must keep him off of my ticket." If people would dispense with politics in local elections and vote for the best men, we would soon see a marked improvement in our local governments. Ohio seems to have a more intelligent class of voters than Kentucky. If public affairs are not managed properly over there, another party goes in, but here in Kentucky, come what may, a man must stick to his party or he is a mugwump and traitor.

The widening of Piccadilly has been the means of showing the enormous value of land in the center of London, the sum paid by the London County Council for a small area, which, of course, was built upon, working out at \$170 a square foot. This is believed to be the record, but as it included compensation for disturbance it cannot be compared with the prices paid in Cornhill, which is the highest-rented spot on earth, a single room having been let recently for \$10,000 a year.

BABY TUCKER'S WONDERFUL CURE

Covered from Head to Foot with Humours—Forty Boils on Head at One Time—Doctors and Drug Bills \$100—Baby Grew Worse.

CURED BY CUTICURA FOR FIVE DOLLARS

Mrs. George H. Tucker, Jr., 335 Greenfield Avenue, Milwaukee, Wis., is a grateful mother. "When six months old," she says, "my little girl weighed a pound and a half less than at birth. When one month old a scab formed on her face, spreading until it completely covered her from head to foot, followed by boils, having forty on her head at one time, and more on her body. Then her skin started to dry up, and it became so bad she could not shut her eyes to sleep. One month's treatment with Cuticura Soap and Ointment made a complete cure, and now my child is as large, strong, and healthy as any child of her age. The doctor's and drug bills were over one hundred dollars, and my baby grew worse all the time. Then we spent less than five dollars for Cuticura and cured her."

CUTICURA A BLESSING
